A delegation led by Minister of Science and Education Emin Amrullayev visited Georgia.

As part of the visit, the delegation visited Heydar Aliyev Park in Tbilisi, where a wreath was laid at the monument to the national leader Heydar Aliyev and the memory of the great leader was honored with respect.

During the visit, a meeting was held with Givi Mikanadze, Minister of Education, Science, and Youth of Georgia.

During the meeting, the current state and prospects for future development of cooperation between the two countries in the field of science and education were discussed. In addition, the parties agreed to continue exchanging experience and information, studying the Azerbaijani and Georgian languages in both countries, expanding cooperation between universities and in the field of STEAM, including the implementation of joint scientific projects.
