As part of the visit of Deputy Minister of Science and Education of the Republic of Azerbaijan Hasan Hasanli to the State of Israel, a Memorandum of Understanding on Scientific Cooperation was signed between the Ministry of Science and Education of the Republic of Azerbaijan and the Ministry of Innovation, Science and Technology of the State of Israel. On the Israeli side, the Memorandum of Understanding was signed by the Minister of Innovation, Science and Technology of the State of Israel, Gila Gamliel.

The Memorandum of Understanding provides for the organization of cooperation with the State of Israel in areas such as the implementation of joint research projects between higher education institutions and scientific institutions, joint funding of research projects, exchanges of doctoral students, scientists and teaching staff, the organization of joint events, and activities in other areas.
