Emin Amrullayev, Minister of Science and Education, met with the Minister of Higher Education, Scientific Research and Innovation of the Kingdom of Morocco, Dr. Azzedine El-Midaoui, during his visit to the Kingdom of Morocco. During the meeting, the parties exchanged views on initiatives to be implemented in the field of science and higher education.

Then, an “Agreement on Cooperation in the Field of Science and Higher Education” was signed between the Ministry of Science and Education of the Republic of Azerbaijan and the Ministry of Higher Education, Scientific Research and Innovation of the Kingdom of Morocco.

The agreement provides for the implementation of a number of measures, including the exchange of undergraduate, graduate and doctoral students of higher education, the establishment of direct links between scientific and higher education institutions, and the implementation of joint projects.
