On 8 June, as part of the 9th meeting of the Education Ministers of the Organization of Turkic States, Minister of Science and Education Emin Amrullayev met with the Minister of National Education of the Republic of Türkiye, Yusuf Tekin.

During the meeting, the current state of cooperation between the two countries in the field of general and vocational education was discussed, as well as initiatives planned for the future implementation.

The participants exchanged views on opportunities for cooperation with a general education institution planned to be opened, particularly in Istanbul, as well as on opportunities for cooperation between vocational education institutions in the two countries.
