On 8 June, during the 9th Meeting of Ministers of Education of the Organization of Turkic States, Emin Amrullayev, Minister of Science and Education, met with Sayasat Nurbek, Minister of Science and Higher Education of the Republic of Kazakhstan.

During the meeting, the participants discussed the current state of cooperation between the two countries in the fields of science and higher education, as well as initiatives planned for the future. In particular, there was an exchange of views on opportunities to expand cooperation between higher education institutions in both countries and to carry out joint scientific-research projects.
