Users will be able to receive the latest news about the activity of the Ministry on these pages. Only above-mentioned addresses are the official pages of the Ministry on social networking sites.

Moreover, officials of the Ministry will respond to questions from citizens regarding the education field on the official Facebook page of the Ministry once a month. Citizens should direct their inquiries to the official email addresses of the Ministry (office@edu.gov.az, qaynar-xett@edu.gov.az).

The social networking links for Facebook and Twitter pages of the Ministry are available on the official website of the Ministry of Education.
