The process of receiving e-applications for recruitment of teachers has ended on July 15. Applications of 18782 candidates for 3286 vacant positions in secondary schools and institutions of primary professional education of the country were accepted within 15 days.

According to the last year statistics, the number of vacant places for teachers recruitment was 3,270, and number of applications - 16195.

This year, most applicants have applied for primary school, Azeri langauge and literature, English language and mathematics teacher jobs. Moreover, more than 1,000 applications have been submitted for the vacant position of primary school teachers at some schools of Baku.

The application approval process for the recruitment to be held from 16 to 20 July 2013.

Exam groups will be formed on July 21-23, 2013. Moreover, each participant will receive a message at its personal page informing about the time and place of test examination.

The test exams will be held at the main building of Azerbaijan State Ecomonic University. Local area network connected to the server has been set up at university. Moreover, 2 exam rooms are equipped with 240 computers, safety and security are provided.

Test exams for recruitment of teachers will be held daily (except Sundays) from July 25 to August 7, from 9:00am to 18:00pm. Exams for each group will last for 1 hour.

Candidates, who successfully pass this stage, will be interviewing from 12 to 16 August 2013.
