Thus in order to investigate in place the status of pedagogical capacity preparation at secondary special education institutions. Lankaran State Humanitarian, Astara Pedagogical and Shirvan State Economy and Humanitarian Colleges were monitored at the end of January of current year.

In Investigations-revealed that there were cacademic and financial rbreaches rand-requirements for normative legal acts were not followed.

Due to serious shortages in organization of education and evaluation of students' knowledge and allowing lillegal requests against students to successfully complete the examsession, Shaban Safiyev, dirdirector of Lankaran State Humanitarian College was dismissed. Due to inability to provide normal progress of teaching and exam processes directors of Astara Peagogical and Shirvan State Economy and Humanitarian colleges have been declared a serious reprimand with the latest warning.
