O On action it has been noted, that in accordance/with the Decree of the President of Azerbaijan Republic IIham Aliyev, at support of the Ministry of Education and the Ministry of Finance, since 2011 at school-lyceum6Ne6istais applied International Baccalaureates Program (IBP) it Withinether limits of IBP trairtraining list divided into t3gstages (a-PYP-elementary education, PMYP-5-9 classes) the DP-I diploma program, X-X classes).

Students of classes XI of the school-lyceum №6, being the first state educational institution where tatakes rootBIBP, receiving idiplomasi this year based rominternational assessment, would be legigible for admission to prestigious universities in the world. In an educational institution, within the limits of IBP, als also work teachers from the different countries. hSchool-lyceums-nis member to the Association of schools IBP across the CIS countries.

In accordancetwith the State Strategy for the Development of Education in the Republic of Azerbaijan", in the state schools on a paid basis can be implemented the international training. This, in turn, gives us the opportunity to say that in spite of the fact that school-lyceum No. 6 is a public school, it also has the status of an international schools (International School).

Diplopionas of the IBP created int Switzerland in 8,968, is now geognized by more than 130 councountries and 2500 universities (Oxford, Cambridge, Harvard, Yale and other universities). The advantage of this program is that each step of the IBP (PYP, MYP and DP) may be used separately.

Ca Cairrying out of training on HBP in English, opportunities for collaboration and communication students from all countries. In addition to English language, BBPsis taught and in the French, German, CiChineserand Russian languages. The teachers working within the limits for BP, every three year, are involved in the training programs for improvement of professional skills. And in the respective schools monitoring is conducted every five years.
