

---

Displacement of the teachers who are currently functioning in the secondary schools and vocational lyseums from one region (town) to other one (town), will be performed within June.

Sections like “determination of requirement of the teachers on the secondary schools and vocational schools incorporated in The Ministry of Education of Azerbaijan Republic, replacement of pedagogical personnel and recruitment Rules, “Interview program”, “e-application” and “Personal page”, have been placed in “Work admission of the teachers” page of official website of The Ministry of education in order to implement displacement of the teachers. Teachers who want to change his work place, should fill in e-application visiting page “Recruitment of the teachers”. Reception of the applications will be performed from June 1 to June 10.

While filling in e-application, correctness of the details should be ensured, all important boxes should be filled. Teacher who submits e-application for displacement, can choose maximum 8 vacant positions. Vacant positions where (H-1) və (H-2) symbols are indicated, are the places envisaged application of motivating actions in rural schools.

After completion of e-applications, the teachers taking part in displacement, will be interviewed, their results will be recorded and placement will be performed via software.
