
One group of the pupils of Ismayilli region who has close relation with Ito city of Japan, firstly visited in this country.

Visit took place under treaty on exchange of Friendship signed between Ito city of Shizuoka prefecture of Japan and Ismayilli region of Azerbaijan on November of the last year.

6 pupils of secondary schools No.1 and No.6 of Ismayilli region, is accompanied by Rasim Ojagov, director of Regional Education Department.

Azerbaijani pupils were acquainted with wonderful places of Tokio, also visited embassy of Azerbaijan to Japan in two days of visit.

Pupils of Ismayilli region have been corresponding with the pupils of Ito city for several years. The same letters played important role in close cooperation of these cities. Visiting in Ito city, pupils who were distinguished in the last academic year of Ismayilli region, will meet their peers. Visit of Japan' pupils in Ismayilli region, is planned for the next year.

Khanum Kazuko Ishida, representative of "International Homestay Club" of Ito city stated that, "Azerbaijani pupils will face with rich visit program in Ito city. So, pupils of Ismayilli region will live in the families of their peers, also will be closely acquainted with Japan life style, domestic relations and national culture within framework of program "Homestay" during visit. According to visit program, meeting of Azerbaijani pupils with major of Ito city is envisaged".

Kazuko Ishida pointed that, as per program, they will be informed about national musical instruments in Ito regional musical schools, also the boys will visit in school where martial arts are taught. "As well as, our visitors will visit in Ito's history and wonderful places". "They also take part in Angin Machury- Summer festival organized on August 8-10 of every year in Ito"- he stated.

Azerbaijani pupils will return to homeland on August 13.
