

---

For the fourth qualification game on November, it has been held under special rules unlike the previous games. So, although previous qualification games consisted of two qualification and two final games and were held among teams, the fourth qualification game has been organized under the "team who loses the contest leaves the game" principle in the present game. Teams have been selected among the 16 teams who had less participation in the contest organized since September 7.

Other difference of the game was continuation of the games among the teams till obtaining of 3 points by one of them.

The game started with a meeting between "Kafkas University" and "Mardakan" teams. Although the winner "Kafkas University" defeated "Sheki" then "Siyazan" team, but lost "Khizi" team.

"Khizi" team invited "Gabala" team for competition and won the game with the score of 3:2. The 6th game was held between "Khizi" and "Lankaran" teams. Lankaran team won the game (3:0).

The next game held between "Lankaran" and "Baku State University" teams ended with victory of the last one.

"Baku State University" competed with "National Aviation Academy" and lost with the score of 2:3 in the 8th game.

"National Aviation Academy" met "Azerbaijan" teams in the 8th game.

The last game was held between "Azerbaijan" and "Orion" teams. "Azerbaijan" team who won the game with the score of 4:1 obtained the right to take part in the championship of November month. This team will compete with "Baku Higher Oil School", "Sumgait" and "NUR" teams.
