
Main goal of contest is to stimulate creation of artistic compositions that explain moral richness, patriotism, national and universal values, emotional and cognitive qualities for young schoolchildren, stipulate their artistic taste taking into account age psychology.

Compositions to be submitted in the contest, should be prepared collectively. Number and total volume of the compositions incorporated in the bulk, are determined on the following rule:

- Prose- 15 (1,5-2 printing page)
- Poetry compositions- 20 (1-1,5 printing page)
- Drama compositions- 5 (2-2,5 printing page)

Collections submitted in the contest, should be sent in 3 (three) printed copies together with its e-version (in PDF format) written in disc for registration within 1 (one) month from June 1, 2015 to The Ministry of Education. To include the compositions of authors published till today in the collections, is prohibited.

Compositions in the collections, will be looked through by expert appointed by The Ministry of Education and in the case if 12 of prose compositions, 15 of poetry compositions, 3 of drama compositions are valued positively, the same collections will be acceptable for contest.

Collections that are acceptable for contest, will be sent to the secondary education institutions, prominent educators, advanced teachers in electronic version for valuation in accordance with awarding positions. Also, mentioned compositions will be placed in official website (<http://www.edu.gov.az>) of The Ministry of Education by purpose to learn opinion of community. Opinion and remarks will be received via e-mail eser.musabiqe@edu.gov.az.

According to contest's results, 5000 (five thousand) manat has been determined for composition which keeps I place, 3000 (three thousand) for composition which keeps II place, 1500 (one thousand five hundred) for composition which keeps III place.

Printing of winner compositions in book form, is envisaged.
