

---

Pupils take part on the nominations of recitation, performances and drawing in the contest.

Goal of contest is to closely introduce rich life and activity of Mikhail Lermontov, great Russian poet and playwright of XIX century to the young generation, also create interest to his heritage.

Contest is held on two phases among the pupils of VII-XI grade of the secondary schools.

Selection process of the winners on the nominations "Recitation" and "Dramatized scenes", will be organized on December 19 in the school-lyceum no. 6 of Baku city. Jury approved by Organizational Committee of this contest, will evaluate pupils' knowledge related to creativity of great Russian writer. At the same time, performance ability of theater scenes prepared under M. Lermontov's compositions, will be evaluated as well.

Winners of I, II and III places on every nomination of Republic phase of contest, at the same time active participants will be awarded to the diplomas of The Ministry of Education.
