
The winter examination period of Azerbaijan State University of Economics (ASUE) is live broadcasted through Internet.

It's possible to watch the live exam process through webcams. The footage broadcasted through "Livestream" (http://www.livestream.com/aseu_test_room?t=56983) is open for all Internet users.

According to the relevant order of Mikayil Jabbarov, the minister of education on the organization and conduct of the examination period, the participation of the general public and parents is also provided in the exams held in ASUE. They participate in the examination process as observers. The representatives of the mass media were allowed to elucidate the exam.

For the purpose of the reception and investigation of the applications of the students and parents, as well as the general public in the exam session, it was established the "Staff" in the main academic building. For the prompt investigation of questions, suggestions and comments on exams is possible to apply to the hotline of the university (146-1-3).
