100 people are expected to be admitted to the Baku branch of First Moscow State Medical University on specialty "Medical care". Although the teaching process is conducted in Russian, the competition will be held jointly for the entrants of Russian and Azerbaijani sections. Education is free for Azerbaijani citizens.

The entrants, who scored 350 points or more at examinations held by the State Students Admission Commission (SSAC) for the fourth specialty group, can participate in the entrance examinations conducted by the Commission of First Moscow State Medical University named after I. M. Sechenov. Those, who want to be admitted, must take an examination in Russian language and mathematics.

The competition will be held on the basis of the results of examinations conducted by the Commission of First Moscow State Medical University named after I. M. Sechenov.

The teaching activities of the branch will be carried out on the basis of teaching plan and programs of First Moscow State Medical University named after I.M.Sechenov by the teaching staff of this higher education institution. The graduates will be presented with the Diploma of First Moscow State Medical University named after I.M.Sechenov.

People wishing to be admitted may submit the relevant documents on July 21-22, 2015, from 10:00 to 18:00.
