
According to the decree, the organized committee was created to make a collegial decision on holding the contests on the Best Secondary School and the Best Teacher. And the staff of the work group to expertise documents for participating in the context which come to the Organized Committee was conformed.

It should be noted that in accordance with implementation of the direction of the President of the Republic of Azerbaijan Mister Ilham Aliev on establishing the award of the Best Secondary School and the Best Teacher on 4th September 2007, the annual contests on the Best Secondary School and the Best Teacher play the important role to reveal creative teachers and secondary schools with effective management. Along with increasing healthy competitiveness in the sphere of education these contests help to improve considerably the quality of education.
