
On November 11, "ADA" University hosted the opening ceremony of master's degree in management program for education.

At the opening ceremony, Hafiz Pashayev, Rector of "ADA" University, Ambassador, spoke about the measures taken in the field of development of education at the university headed by him and achievements of the university.

Rector and Ambassador Hafiz Pashayev expressed his views on master's degree in management program for education.

Jeyhun Bayramov, Deputy Minister of Education, emphasized the role of education in the modern world and the importance of the "National Strategy for the Development of Education in the Republic of Azerbaijan".

The Deputy Minister also expressed confidence that the relevant program would have effective results.

Then, they provided detailed information about master's degree in management program.

It should be noted that the Faculty of Educational Management of "ADA" University has announced admission to the management program for education with the support of the Ministry of Education and in collaboration with Michigan State University of the United States. The master's program will be taught in English for 15 months. Lessons will be conducted by local and foreign professors. Students are able to choose specialization in the direction of secondary or higher education. Students, whose level of English language is not acceptable for graduate education, will be offered additional language training classes. During the training period, students will participate in workshops and visits, as well as will have an opportunity to learn foreign experience through exchange programs.

The reception will last until April 1.
