Azerbaijan's First Lady, ISESCO Goodwill Ambassador Mehriban Aliyeva met Director General of the organization Abdulaziz Othman Al-Twaijri and goodwill ambassadors, November 26.

Welcoming the guests, Mehriban Aliyeva expressed gratitude for the holding of the 12th Session of ISESCO General Conference in Azerbaijan and emphasized the significance of this event for our country and for the Islamic world at large. Congratulating ISESCO director general on the decoration with "Friendship" Order - a high award of Azerbaijan, Mehriban Aliyeva underscored the close friendship relations between this organization and Azerbaijan. She emphasized that representatives of all religions and cultures in Azerbaijan are living in the environment of friendship and peace. It was also noted that significant events serving to strengthening of dialogue between cultures, religions and civilizations in our country are held in Azerbaijan and that tolerance has become a strong tradition in the Azerbaijani society's life. Mehriban Aliyeva talked about the numerous events held by the Heydar Aliyev Foundation, headed by her, and noted that comprehensive information has always been provided during such events about the tolerant environment dominating in Azerbaijan. Significance of increasing ISESCO goodwill ambassadors' activity in strengthening of dialogue between cultures, religions and civilizations was emphasized. Mehriban Aliyeva expressed confidence that cooperation with ISESCO will be successfully continued in future too.

Abdulaziz Othman Al-Twaijri thanked for the high-level organization of the event and the hospitality shown. The director general, expressing gratitude for the fruitful cooperation between Azerbaijan and ISESCO, emphasized the roles of President Ilham Aliyev and Mehriban Aliyeva in bringing the relations between Azerbaijan and the organization to such a high level.

An exchange of ideas was held at the meeting on the perspectives of cooperation.

At the end, they were photographed.
