
The diagnostic evaluation of teachers working at general educational institutions of Masalli and Jalilabad regions will be held on December 4-6, 2015.

The purpose of the diagnostic evaluation is to determine the level of knowledge and skills of teachers, to improve the material well-being by increasing the norm for their teaching loads and salaries, to involve them in growth-oriented trainings on the basis of the result of the evaluation.

The diagnostic evaluation, to be held at Masalli Olympic Sports Complex, will be attended by teachers, who work under labor agreement at general educational institutions, included in the system of the Ministry of Education, as their principal place of work, as well as resource teachers and heads of pre-prescription military training of youth.

Preparatory work for examinations has already been completed. The information about the time and place of examination held for teachers of general educational institutions of Masalli and Jalilabad regions has been submitted to local education governing bodies in order to deliver them. The teachers may enter their Personal Pages on the official website (www.dq.edu.az) of the Ministry of Education created in connection with the diagnostic evaluation of knowledge and skills of teachers and may get information about time and place of examination.

Up to 2500 teachers working at general educational institutions in Masalli region and about 2600 teachers from Jalilabad region are expected to attend the diagnostic evaluation.

It should be noted that the teachers will be able to get acquainted with the results of the diagnostic evaluation after completion of exams.
