On December 9-13, 2015, the diagnostic evaluation of teachers working at general educational institutions of Shirvan city, Hajigabul, Imishli, Saatli and Sabirabad regions was held.

More than 6500 teachers according to 119 general education subjects attended the diagnostic evaluation held at Shirvan Olympic Sports Complex. The diagnostic evaluation was also attended by 98.4% of teachers who were invited to the examination. Immediately after the examinations were over, the results of the diagnostic evaluation were announced. The teachers may enter their Personal Pages on the official website ([www.dq.edu.az](http://www.dq.edu.az)) of the Ministry of Education created in connection with the diagnostic evaluation of knowledge and skills of teachers and may get acquainted with results.

During the evaluation process, 40 test questions in the specialty according to general education program, 20 test questions in methods and learning strategies were submitted to participants. According to the relevant rules, each correct answer is estimated by 1 point. The knowledge and skills of the teachers, who correctly answered at least 10 percent of test questions in each section, are considered diagnostically evaluated.

It should be noted that the diagnostic evaluation of knowledge and skills of teachers working at general educational institutions of Sumgait city, Absheron and Gubadly regions will be held on December 16-20. About 9000 teachers are expected to participate in examinations to be held at Sumgait Olympic Sports Complex.
