The second stage of a contest, which is conducted under "Professional Development of Education Managers" project, was held on April 30. This stage saw a total of 550 candidates spend an hour to take 30 logic questions.

Those who will successfully complete the final stage of the contest (interview) will have the opportunity to have a one-year monthly paid internship and trainings at the Ministry of Education and its institutions in Baku.

The Ministry of Education implements different projects with the aim of developing and modernizing human resources in education under the "State Strategy for Development of Education in the Republic of Azerbaijan". In this sense, the contest, which is aimed at involving education workers and those seeking employment in education sector in a one-year internship program and trainings at the Ministry of Education and its institutions in Baku, has provoked paparticular interest. The contest is held under "Professional Development of Education Managers" project, which is implemented by the Institute for Professional Development of Education Workers.
