MINISTRY OF EDUCATION, SCIENCE AND TECHNOLOGICAL DEVELOPMENT
announces

CALL TO APPLICATION

for the issuance of scholarships for school year 20../20..
within the Project:

"WORLD IN SERBIA"

Ministry of Education, Science and Technological Development invites all interested members of the member countries and Non-Aligned Movement observer countries, aged between 18 and 35 to apply for the scholarships of the Government of the Republic of Serbia within the project "World in Serbia".

The interested may apply through the competent diplomatic and consular representation of the Republic of Serbia in their countries.

The project includes scholarships for students from the NAM member countries, who shall have, in the first stage of the project, intensive Serbian language courses. Subsequent stages of the Project envisage the attendance of basic academic, master and doctoral studies according to the interests of scholars, and in accordance with the study programs in Serbian language or the lectures in Serbian language with the possibility of consultation in English offered by the University of Belgrade, the University of Novi Sad, and the University of Nis. The scholars will, also, have the support of a mentor in the work during the study programs they have chosen at one of the aforementioned Universities of the Republic of Serbia.

The scholarship includes: a free temporary residence visa, a free validation of high school/university documents, paid costs of Serbian language courses and selected studies, paid accommodation and meals in the student standard facilities, health insurance and scholarship in the amount of 15,000.00 dinars per month for the cost of transportation, textbooks and other expenses.

CONDITIONS FOR OBTAINING SCHOLARSHIPS:

1. The candidate must be younger than:
   - 21 for undergraduate studies, 25 for graduate-master studies
   - 35 for doctoral studies
2. The candidate must possess a medical certificate not older than six months, confirming that the candidate does not suffer from an infectious disease (including HIV test).
3. The candidate must know English and/or French.

4. The candidate must be nominated by the competent authority of the Project participant country of their citizenship.
5. The candidate nominated for undergraduate studies may enroll the first year of studies if they have four-year secondary education, i.e. level of education equivalent to secondary school diploma in the Republic of Serbia.
6. The candidate nominated for graduate - master academic studies may enroll the study if they have an appropriate degree from the University acquired at the undergraduate studies, equivalent to the diploma acquired at undergraduate studies at the Universities in the Republic of Serbia (180 or 240 ECTS credits).
7. The candidate nominated for doctoral studies may enroll the study if they have acquired an appropriate University degree acquired at the master studies, equivalent to the diploma acquired at graduate - master studies at the Universities in the Republic of Serbia (300 ECTS).
8. After graduation, a candidate needs to return and live in the country that nominated him/her for the scholarship under the Project.

***Note**: The average is determined according to the grading system in the country where the candidate obtained medium, i.e. higher education.

DOCUMENTATION TO BE SUBMITTED WITH THE APPLICATION FORM:

1. Biography (CV) with a contact address, telephone number, and e-mail address.
2. Candidates for basic studies: original or certified copy of secondary school certificates or diploma of secondary education.
3. Candidates for master studies: original or certified copy of the diploma on completed basic academic studies with the addition of graduation.
4. Candidates for doctoral studies: original or certified copy of the diploma of undergraduate studies with the addition of graduation, original or certified copy of the diploma on completed master studies with the addition of graduation.
5. A copy of the passport.
6. A photograph.

Candidates who are eligible for a scholarship shall submit the completed form, certified by a competent authority of the nominating country, along with the required documents to the competent diplomatic and consular representation of the Republic of Serbia in the countries of their residence.

Deadline for submission of application forms and supporting documents is **20.12.2018.**

3.6 Obligations of the Project scholarship holder

The scholarship holder undertakes to:

- submit original and certified copies of documents (high school certificates, university degrees, master certificates, transcripts of school grades and diploma supplementary documents), translated to Serbian/English language upon his/her arrival to the Republic of Serbia;
- take exam in Serbian language prior the beginning of selected study course at the universities in the Republic of Serbia;
- get 37 ECTS (European Credit Transfer System) points for the enrolment on the next year of study, within the enrolled study program during the academic year;
- observe the regulations of the Republic of Serbia and the rules of the higher education institution which he/she is the scholarship holder of;
- compensate for the damage done to the facilities of an institution of student accommodation and living standard or those of higher education institution;
- obey the rules of conduct prescribed by the statute of the higher education institution;
- comply with the rules of conduct and the house rules of the institution of student accommodation;
- regularize his/her temporary residence and apply in due time for its extension once the conditions have been fulfilled, pursuant to the provisions of the Law on Foreigners ("Official Gazette of the Republic of Serbia", No. 97/08)
- inform in a timely fashion the Ministry of Education, Science and Technological Development of any changes relevant to the status of the project scholarship holder, 30 days from the occurrence at the latest (graduation, dropping out of studies, etc.)
- Following the end of study, to return to the country that nominated him/her for the scholarship.

3.7. Reasons for Loss of Scholarship

The scholarship holder shall lose the scholarship if he/she:

- fails to earn at least a passing grade in the Serbian language exam;

- within the academic year, in the enrolled study programme, fails to earn 37 ECTS required for the enrolment on the next year of study, in the status of a state budget-funded student/full-time student within the Project, in line with the general act of the institution of higher education specifying the requirements for the enrolment on the next year of study programme;

- grossly violates the student obligations stipulated by the general act of the institution of higher education, in accordance with the law;

- has been finally sentenced to six months on probation with the threat of a prison sentence or if he/she has been handed down a more severe punishment;

- behaves improperly, or if he/she flagrantly breaches the rules of studies prescribed by the Statute of an institution of higher education or another institution of student accommodation and living standard;

- gives up on scholarship of his/her own volition.

3.8. General Provisions of Studies within the Project

In the framework of the Project, the scholarship holder is allowed only to perfect himself/herself at one study programme.

In the course of an academic year, the student is obliged to earn, at the enrolled study programme, 37 ECTS required for the enrolment on the next year of study, in the status of a budget-funded student/full-time student within the Project, in line with the general act of the institution of higher education specifying the requirements for the enrolment on the next year of study programme;

The scholarship holder who has earned at least 37 ECTS points per each academic year in the course of his/her studies shall be entitled to his/her scholarship for the duration of one academic year, following the completion of the last year of the study programme.

Students who have lost the status of the scholarship holder can only regain it in the next academic year, if they earn 37 ECTS points.

The scholarship holder shall attend the enrolled study programme, as it is not possible to switch to another study programme within the Project.

The scholarship holder who due to a severe illness was not able to meet the minimum ECTS requirement defined for the enrolment on the next year of study in the status of a state budget-funded student/full-time student, for the duration of the entire academic year, has the right to enrol on the same year of study for the second time and retain the right to scholarship. The scholarship holder must submit the entire medical documentation to the Ministry of Education, Science and Technological Development by the end of the current academic year, i.e. by September 30th.

The scholarship holder must pass the remaining exams in the course of the repeated academic year, i.e. to earn enough ECTS points to enrol on the next year of study. If he/she fails to do so, the scholarship holder shall lose the right to scholarship.

The scholarship holder must inform himself/herself with the relevant authorities about the rights and obligations relating to the regulation of his/her temporary stay/residence in the Republic of Serbia.
